Dearly beloved in Christ,  
Greetings in the wonderful name of Jesus!

God preserved us as the apple of His eye these seven months and He has carried us into the eighth month this year. May His name be praised.

God will go before you and make every crooked path straight. He will break down the gates of bronze and cut through bars of iron. He will give you treasures of darkness and riches stored in secret places (Isa.45:2,3). Claim and confess this word and make it your own. We are halfway through the third quarter of this year. Renew the vows you made at the beginning of the year and look for opportunities to serve God.

We ministered in Germany, Canada and US in the last two months and felt the power of your prayers. We praise God for the powerful way in which the Holy Spirit moved with signs and wonders. As this magazine reaches you, we will be ministering in Cochin and Kottayam in Kerala. Do remember us in your prayers.

The 34th batch of the Short Term Intensive Course will be conducted as usual from August 10th to 19th at the Berachah campsite, Poondi. If you have not registered till now please register immediately. Encourage those who have a passion for serving God to participate as well. Pray at least for five minutes everyday for the preparations for this meeting. Also pray for the participants to experience the deep work of the Holy Spirit.

The School of the Holy Spirit will be held from 15th September for three months at our campsite. 'You will become a new person' is the word that God gave me for this three month course. Many of those who have been a part of this school are being used powerfully by God in India and around the world. For the first time we are encouraging married couples to participate. Please pray specially for this.

Thank you for praying for the construction work at the Campsite. Twelve rooms at the campsite are nearing completion. Continue to pray that the financial needs will be met. Please uphold our aged parents, families, partners and staff in your prayers.

Yours in Christ

# YOU ARE A JOSEPH

## Part 4

Dr. Ezekiah Francis

### Head and not the tail

Wherever he went Joseph was the head and not the tail. Right from the time he was a little boy in his father's house, God honored him. Among all the sons his father loved him most and adorned him with a multicolored cloak. In his teens, God showed him a vision wherein his sheaf stood straight while the sheaves of the rest of the family bowed their heads to his! He went to Potiphar's house as a slave and God made him an overseer there.

Did it stop there? No... Even in prison, God made him the head. The keeper of the prison put Joseph in charge of all the other prisoners. To top it all, God made Joseph ruler over all of Egypt second only to Pharaoh. God raised him up to be the uncrowned king! (Ge.37:3;39:4,21-23; 41:40-43). In every possible way, Joseph was a notch above his brothers. The Bible says that he was 'separate from his brothers'(Ge.49:26).

Beloved, God has a dream for you. You are special to Him. Wherever you are, He will raise you up. Once you receive God's vision for your life, fear the Lord and walk in His presence daily. Then you will never be put to shame. *"And the Lord will make you the head and not the tail; you shall be above only and not be beneath, if you heed the commandments of the Lord your God which I command you today, and are careful to observe them"*(De. 28:13).

When you are hidden in Christ, you are raised up to a higher level and you are seated in heavenly places. All principalities and powers are under your feet. Wherever you go, you are special! This is your birthright. Walking in this confidence is in your hands. Openly declare that you are and will always be the head and not the tail and praise the Lord with all your heart.

### Fervor for God

Another amazing characteristic of Joseph was that he fearlessly spoke about God wherever he went! He did not hesitate to mention God in his conversation. *'In all your ways acknowledge Him and He will direct your paths'* (Pr.3:6) was Joseph's everyday experience. Through good times and bad, in sickness and in health, his lips confessed the name of God. When Potiphar's wife came to entice Joseph he looked at her and said, "How can I sin against God?" In other words he reminded her that there is a God above who sees all things and every sin that is committed by man is against Him. Whenever you are tempted, open your mouth and declare your love for Jesus and your relationship with Him. Those who talk about God

wherever they go will surely become like Joseph.

When Joseph was sent to prison, he did not hesitate to talk about God there also! When Pharaoh's officers sat gloomily muttering to themselves that no one could interpret their dreams, Joseph looked at them and said, *"Do not interpretations belong to God? Tell them to me, please"* (Ge.40:8). Joseph seemed to say, "My God is all powerful and He is the only one who can reveal the mystery of dreams and I am His ambassador. This great God is within me and He will interpret your dream. So come on, tell me your dream". Here also Joseph honored God. Not only that! In Pharaoh's presence he did not hesitate to honor God. Joseph said, *"It is not in me; God will give pharaoh an answer of peace....God has shown pharaoh what He is about to do....the dream was repeated to pharaoh because the thing is established by God and God will shortly bring it to pass"*(Ge.41:16,25, 28, 32).

Wow! In every situation Joseph said "God, God, God". To everyone he said "God, God, God". Was this the secret that raised Joseph up?! I wonder....

Everyone who knew Joseph knew his God. That's why Pharaoh praised Joseph saying, "Is there anyone else like this man who has the spirit of the gods upon him? God alone has revealed all these things to you!" God loves a person who talks about Him to others. If you confess Jesus before men, He will confess you before God the Father - the Creator of the Universe. Is there anything greater than that?

### Revelation of Gifts

The gifts of the Holy Spirit are definitely needed to make a 'Joseph' out of a child of God. Good characteristics alone are not enough. One must demonstrate the miraculous wonders of God. Taking a stand for his chastity, Joseph was put in prison. But what brought him from the prison to the palace? The gifts of the Holy Spirit of course!! Joseph's need to have an abundant overflow of the gifts and the fruit of the Holy Spirit. Joseph was able to interpret the dreams of the king's officers. To the chief butler he said that in three days' time, he would be restored to the palace by Pharaoh. But to the chief baker he said that in three days' time, he would be hanged from a tree (Ge.40:5-22). Imagine Joseph's boldness. He had the courage to say that in three days the cupbearer would be reinstated and in three days the baker would be hanged. If God had given you a revelation like this, would you have

said it without fear!

Joseph received word from God with absolute clarity. And guess what? No one taught him about the gifts of the Holy Spirit or about the Pentecostal experience! Nor did he have the fellowship of spirit filled believers. Even when he did not know all these things, the gifts of the spirit operated through him.

From the age of fourteen, God started revealing things to me. As a student when people crossed my path, I could tell intricate details about their lives to them. Those days I was not aware of the gifts of the Spirit nor did I have spiritual friends. Even when I knew nothing, the Holy Spirit used me.

You can also hear the voice of the Holy Spirit. You can enjoy an intimate relationship with God. Don't crib about your circumstances. Worship the One who is within you. Revel in His ever abiding presence. Then the Holy Spirit will open up His heart to you. The gifts of the Spirit will begin to operate through you. That will bless your life, your ministry and your wealth a hundred fold.

### Your time will come

Look at Joseph's desperate words to the chief butler: *"But remember me when it is well with you, and please show kindness to me; make mention of me to pharaoh and get me out of this house"* (Ge.40:14). The chief butler promptly forgot his request. Would you forget this kind of a powerful prophecy?! For two long years the chief butler forgot Joseph! This was also an act of God. If the chief butler had remembered Joseph's request, he would have been released from prison and he would never have been raised up to be the second in command over Egypt. But

because Joseph interpreted pharaoh's dream, he was raised up! God had planned a specific time for Joseph to be lifted up. The Bible says that *there is a season for every thing under the sun. A time to laugh and a time to cry!* (Ec.3:1-8).

When God's timing comes, everyone will remember you. Until His timing comes, no one will remember you. This happened in Joseph's life. Eleven years had passed since Joseph saw the dream. Two more years passed due to the chief butler's forgetfulness.

The time for God to fulfill His plan for you is fast approaching. Do not fear! *There is a time to kill and a time to heal.* It might seem like God is crushing you and your vision. But cheer up. The time to heal you and restore you has come. Similarly *there is a time to tear down and a time to build.* Do you feel like you are being torn down and crushed? Fear not! God Himself will build you up. Are you still weeping? The day will come when you will laugh again! When darkness has passed, the day will surely dawn. One thing is sure! The One who gave you the vision is faithful to complete it!

When your time comes, your raise will automatically come. God will move mountains to raise you up. God gave pharaoh a dream and his heart was troubled. In Mordecai's case, while Mordecai waited like a watchman at the gate of the palace, God took away the king's sleep in order to raise Mordecai up! God will move the heavens and the earth to bring favor to you. When your time comes, just a minute is enough for God to work a miracle for you!

Are you going to church without your husband? A time will come when as a couple you will enjoy the presence of God and you will go out together to serve Him! There is a time for everything.

There is just one thing you need to do. Till that time comes, you need to guard your heart with all diligence. Guard the attitude of your heart. If Joseph had given his heart over to bitterness and anger, would his time for honor have come? I doubt it! Let me caution you. Sometimes satan will try to abort your vision before your time. Be alert like Joseph. When the chief butler heard pharaoh's dream, he regretted his forgetfulness and repented before pharaoh. Immediately pharaoh asked them to bring Joseph from prison. Shaved and presentable, Joseph was brought before pharaoh (Ge.41:9-14). Do you think pharaoh had those dreams just for Joseph to be raised up?! Did all the astrologers and magicians fail for this one reason?! Yes. When your time comes, great people will come running to you.

Let your imagination run with me!! Just when it seems like all was lost, the prison warden comes to Joseph and says, "Get ready! Pharaoh's guards have come to take you to the palace". There was a flurry of activity in the prison and Joseph finds himself shaved, dressed in good clothes and being escorted to pharaoh's palace!

### Unexpected honor

Many startling incidents checkered Joseph's life. Unexpected, unhappy ones. His brothers' hatred; a deep pit when he lovingly went to enquire about them. Later just when he tasted a little honor in Potiphar's house, the accusation of being lustful and immoral! The shame....ridicule....ignominy. Prison, the disappointment of being forgotten!.....

Then suddenly the tide seemed to turn! The forgetful man remembers..... Pharaoh calls for Joseph and praises him sky high! "There is no one like you! There is none who is as discerning and wise as you! My people will submit to your orders". Saying this, pharaoh placed his signet ring on Joseph's finger, dressed him in fine linen and put a gold chain around his neck! Not only that! He gave him a woman of high standing as his wife and made him ruler over all of Egypt. Joseph travelled the length and breadth of Egypt on pharaoh's second chariot and gathered the grains that were as the sands of the sea. The world of that time bowed before him.

Later, when people cried to pharaoh, he sent them to Joseph who opened the store houses and gave grain to thousands! History does not stop there. The family that rejected him now bowed down and revered him. The vision he saw at the age of seventeen came true at the age of thirty! What does it matter how many years have passed since you received the vision?! Beloved child of God, what God has promised, He *WILL* fulfill! Fear not!

Joseph was a man of tears. When he saw his brothers, his heart broke. He went into his room and wept, then came out and gave them a tough look. Finally unable to contain himself anymore, he cried out in a loud voice and revealed his identity to them. Joseph's cry echoed off the palace walls till it reached Pharaoh's ears. Who can forget that heart-rending cry? Joseph's willingness and ability to forgive is greatness in itself! Listen to what he tells his brothers who realize their folly and stand bewildered and frightened in Joseph's presence. He comforts them and reassures them saying,

*"Do not be afraid, for am I in the place of God? But as for you, you meant evil against me; but God meant it for good, in order to bring it about as it is this day, to save many people alive. Now therefore, do not be afraid; I will provide for you and your little ones. And he comforted them and spoke kindly to them" (Ge.50:19-21).*

He saw God's hand in every circumstance in his life. He saw God turn evil for good and decided to provide for the needs of his brothers' families in those tough times. This makes Joseph a great man.

Dear child of God, listen to what God is telling you right now? *"You are the Joseph's who are going to bless the nations. I am the One who planted the desire and passion in you to serve me. It is my responsibility to bring my plans to pass in your life. I am with you at every turn in your life. You have the power to overcome any temptation. You can decide to come running to me and take refuge in me from anything that challenges your holiness. Do not back off in fear when you look at others' hatred, anger, bitterness and jealousy. Walk in confidence with your head held high as a God-made Joseph. Then you will become a blessing to the very people who hated you. Others also will become a blessing to you.*

*As you desired, your husband will come running after you. Your wife and children will be blessed through you. Your people will prosper, and I will bless the work of your hands. Everything that happened in your life will be turned around for good. Now you will not understand, but one day you will!*

*Are you wondering 'Why am I walking this lonely path of disappointment and bitterness? Why is my spouse indifferent? Why do people always repay me evil for good? How much ever I detest it, why does temptation chase after me? I am fleeing youthful lust as much as possible, but why is it relentlessly pursuing me? When I take one step in front, I seem to be taking two steps backward. God, where are you?'*

*My child, I am transforming you into my Joseph. I am leading you down this path so that when you become a blessing to nations, you will give generously to people. Do not throw away your confidence which will be richly rewarded (He.10:35). Speak words of faith and like Rachel, say that God will add more blessings in your life. Declare aloud that I will raise you up. In adverse circumstances, I raised Joseph as a symbol of purity and holiness. His brothers acted wickedly. His brother Judah lay with his daughter-in-law in his old age. Joseph's father had four wives. If Joseph who grew up in such surroundings could guard his chastity, why can't you? Stop giving lame excuses about sin being your 'weakness' and living a defeated life. I can change you upside-down!*

*Because Joseph fled from Potiphar's house, when sin sought him, he had a royal wedding! Flee from secret sinful ways and I will give you a blessed marriage. Show love to those who lack love. Overcome evil with good. Be kind to those who revile you and overcome evil with good (Ro.12:21;1 Pe.3:9).*

*The reason behind all this was the fact that I had a divine plan for Joseph. I was with him every step of the way and fulfilled it. It was I who formed you in your mother's womb and I have a plan for you. Until I fulfill that plan in your life, I will not leave you nor forsake you. I will be with you all through your life and increase you!" Thus says the Lord God of Hosts!*

# See Yourself in Christ Daily

Read them aloud everyday, as often as possible during the week till you can say it from memory. **Don't let your faith muscles shrink!**

Theme for this month: God's goodness and generosity

## WEEK 1

**Then God said, "Let the waters abound with an abundance of living creatures.....Be fruitful and multiply and fill...."(Ge. 1:20-23)**

See the vastness of God's generosity and His liberality! There were just two people in the Garden of Eden. Adam and Eve. So much fruit and so many trees! Were not just a few trees enough to meet their needs?!

**Faith Confession:** My God is good and generous!

## WEEK 2

**"...God who gives us richly all things to enjoy"(1Ti. 6:17)**

If that generosity was for Adam's generation, how much more for you and me - Christ's generation?!

**Faith Confession:** I am not poor. My God has richly given me all things to enjoy within His holy, moral standards.

## WEEK 3

**"...No good thing will He withhold from those who walk uprightly"(Ps. 84:11)**

God is good and all He does is good. He has planned good for you. He will not tease you and withhold good from you when you walk in his ways.

**Faith Confession:** I will not lack any good thing because I seek and trust God.

## WEEK 4

**"The Lord is my shepherd; I shall not want...Surely goodness and mercy shall follow me all the days of my life..."(Ps. 23:1,6)**

In Christ worry has no place in your dictionary. Erase that word and abound in praise.

**Faith Confession:** God's goodness and mercy shall follow me all the days of my life!

## **DON'T POLLUTE YOUR PLANET!**

Your loving Father God has given you a great inheritance: He has given you a perfectly designed planet to live and thrive on. He has blessed you to be fruitful, multiply and fill the earth (Ge.1:28). With the growing world population, many changes are done that disrupt God's eternal design.

Rain forests that harbor millions of species of plants and animals are destroyed at an outrageous speed. I often wonder how many medicines, how many perfect herbal cures for deadly diseases we never discover because we destroy the plants' habitat before we can even discover their God-given health-boosting powers!

Greed and speed dominate the hearts of people who have not been born again and have not received the love of God in their hearts (Ro.5:5). Even if they mean to do good, their attempts often backfire because they lack the wisdom of the only wise Creator (1.Ti.1:17). Our world is choking in pollution and threatening human health. What can you do?

You can change, and you can teach and with your example inspire others to change. You can do many little things like protecting nature, planting more trees, creating less cement or tar surfaces that radiate heat, planting rooftop gardens, using more bicycles instead of fuel-consuming cars or motorbikes, using public transport or practice car-pooling, using liquids instead of aerosols, using natural materials instead of plastics, and many such things. Let us now explore together what you can do for a happier, healthier planet with happier, healthier inhabitants.

### **Water pollution**

We have already seen the wonder of water recharge your loving Creator "installed" on this planet. Unfortunately, in the developing world, 90% of all wastewater still goes untreated into local rivers and streams and finally into the ocean. This polluted water can cause much more damage than we could ever imagine.

A very shocking discovery was made in the Polar Regions of our planet very recently. The normally shy and inoffensive polar bears suddenly started killing humans! When such disasters started happening more frequently, scientists took action. They killed and dissected the polar bears turned murderers and made a very interesting discovery. Each one of these "killers" showed unnaturally high concentrations of pesticides and fertilizers in the fatty tissue of their brains! These toxins changed their character up to the point of making them cruel, fearless killers.

How did these toxins come into their brains? The Polar Regions are the least polluted areas of our planet, barely touched by any human influence. The secret lies in the ice bears' diet. Ice bears feed on seals which feed on fish which feed on plankton or other small water organisms.

The pollution we create in our rivers, lakes and oceans is multiplied as one animal eats the other. The scary truth about toxins is that they are stored in body fat, especially in the brain and nervous system, and are never eliminated from the system. With each polluted fish a seal eats, the concentration of toxins in his body increases. With each seal an ice bear eats, the concentration of toxins in his body increases. Just think about it! What happens to us as we eat meat of animals that had to feed on polluted lands, plants or animals? The same effect that took place in the ice bears' brains could happen to us also!

Could that be one of the reasons why in the last days, people's character will go from bad to worse (2.Ti.3:1-5)? It is a scientifically established and proven fact that the lead leaking into drinking water from old water pipes accumulates in the human brain and makes people aggressive to the point of criminal behavior. Lead in the air from leaded gasoline has the same effect. This discovery provoked a campaign of elimination of lead in the Western world to protect the mental and physical health of citizens.

### **Plastics**

Plastic materials produce lots of dangerous toxins

during their production as well as during their destruction. Burning plastic materials pollutes the air and also the ground water. You can very much decrease the production of plastics by taking your own shopping bag with you and refusing to take the plastic bags you are offered everywhere. In the beginning, people might mock at you, but with time you will definitely influence some people to do the same - and a chain reaction is started that can very much reduce air and ground water poisoning!

In Europe, shops now charge a small amount for plastic bags instead of just giving them away for free. I can tell you, that one small action has induced in many people a sudden love for their environment - or maybe for their money purse? Whatever may be the reason, most customers now bring their own shopping bags with them! Even if we buy a plastic bag in an emergency situation, we reuse it instead of throwing it away after only one use. Somehow it seems that touching somebody's purse really helps them understand things more easily ...

Another major factor of pollution is plastic bottles. Imagine the amount of poison released just by burning all the many water bottles people use and throw every day! You can counteract that trend by buying a water filter for your home and taking your water with you, preferably in glass, metal or pottery vessels.

This option is a great blessing since it is much cheaper than buying all these water bottles, plus you avoid the dangers of chemical substances migrating from the plastic bottle into your drinking water, especially when the bottle is exposed to sunlight. You will drink fresher, healthier water that is recently purified, and you avoid the risk of impurities and of bacteria growth in water that was bottled and stored for an unknown time.

If you have the choice, always buy items that have less plastic packing materials. They tend to be more fresh and better for your health anyway than food items packed in plastic since toxic substances leak out from the plastic into the product.

Consumer choice very much influences the producers, so if you can convince your friends to "boycott" plastics, we will soon get a healthier environment to live in!

### TESTIMONIES

◆ Brother, I am so much blessed through you and Sis. Benita's ministry in our church in Canada (Miracle Family Temple). I'll keep your family & your ministry in my prayers. **Bro. Sumadie Murugadas, Canada**

◆ The week end conference we had in our region with Brother Ezekiah and Sister Benita was wonderful. In this conference God brought me back to the importance of each day praying in the Spirit and seeking the edification and spiritual strength that comes from such a discipline and commitment. Brother Ezekiah also gave me some wise and timely counsel that has caused me to gain new and better understanding of a new ministry in Christ I have recently started. Above all, the teaching and ministry caused a powerful spiritual shift in our church that has caused us to seek the Lord with a new intensity and desire. We are very grateful for this sacrificial effort on their part to include us in an already busy schedule.

## Christian Laughs

A Sunday school teacher began her lesson with a question,  
"Boys and girls, what do we know about God?"  
A hand shot up in the air,  
"He is an artist!" said the kindergarten boy.  
"Really? How do you know?" the teacher asked.  
"You know - Our Father, who does art in Heaven...."

## HOT ANSWERS FOR UR HARD QUESTIONS

**1. When I pray my thoughts stray and I get distracted very easily ....I really want to pray for hours, but am unable to....What should I do to focus my thoughts and spend time with God when I pray ?**

➤ When you want to pray for a long duration of time, read your bible and take prayer points from the bible...  
For e.g. : When you read a passage stating that Jesus was in the boat and no storms nor calamity affected the boat....Pray saying: “ I am the boat and Jesus lives in me so no storms nor calamity can affect me. Thank you Lord that these problems cannot shake me.” Like that thank God for every point...!!!

When you take prayer points from the bible and pray, your prayer time gets very exciting and your mind will not get distracted and you can enjoy HIS presence easily....!!!

➤ If you want to pray for 3 hours, pray in tongues for 2 hours 45 minutes which will help you edify yourself ....Use Tamil or your language like pickle in prayers and Tongues as your main course. This will help you grow a lot and you will never get distracted.

**2. Why do I get bad thoughts when I pray?**

➤ Satan does not want to corrupt your mind, he just wants to stop your prayer. When he plans to stop your prayer life you must irritate him by praying even more and thereby flop his plans! This is when you are more than a conqueror!!
