

FROM THE DEPTH OF MY HEART...

Dearly Beloved,

Greetings in the name of our resurrected Lord Jesus Christ and a very blessed New Year!

We thank God for the wonderful work He did through this ministry in the month of January. The three days fasting and prayer in South India was glorious with many mighty manifestations of the Holy Spirit. We had around 2300 people, almost 80 percent were young people from different districts of Tamil Nadu and even from other South Indian states. People were soaked in the presence of God and the truth, 'Christ in you, the hope of glory' opened their eyes for different dimension in their spiritual life. Almost every one of them committed their life to serve the Lord. Thank you so much for your valuable prayers. May the Lord reward you richly.

Our God has given a tremendous weapon for you, that is your tongue. Beloved, confess all the promises of God for your health and long life. Don't curse yourself with negative words! Keep the joy of the Lord which generates strength and works like a medicine (Neh.8:10; Pr. 15:15; 17:22). The life of God in you will constantly supply the needed energy and strength. Avail it today! Resist the devil who comes to steal, kill and destroy your God-given life. Use your tongue to build God's Kingdom and to destroy the devil's kingdom.

Our 4th batch of 40 days School of the Holy Spirit for Men and Couple is inaugurated gloriously on 19th of January. We have students from Madhya Pradesh, Chattisgarh, Orissa, Bihar, Maharashtra, Uttar Pradesh, Haryana, Karnataka, Andhra Pradesh, Telangana, Kerala, Tamil Nadu and United Kingdom. Ninety percent are full time ministers. They have kept aside their ministries and responsibilities and have come here for 40 days to be renewed and refreshed by the Holy Spirit. We need your prayers for them and they must go back with new vision and mission of God.

Last year we had a very powerful apostles and prophets conference. Still today, we hear mighty testimonies from it.

We have our School of the Holy Spirit for Men in Indore, Madhya Pradesh from 5th March to 15th April. Send people who want to serve the Lord with all their heart. North India need miracle ministers who serve the people with the Love of God. For details see the advertisement in this issue.

Pray for me and my wife, for our ageing parents, as well as for our leaders and staff. May the Lord Almighty help you possess whatever God has already established for you in the spiritual realm and make you a blessing to the nations. Be the head and never again the tail. Lend to nations and never borrow again. Let the blessings run before you and overtake you, in Jesus Name!

ARK IN CHRIST

Dr. Ezekiah Francis

Then the LORD said to Noah, "Come into the ark, you and all your household, because I have seen that you are righteous before Me in this generation. You shall take with you seven each of every clean animal, a male and his female; two each of animals that are unclean, a male and his female..."

By faith Noah, being divinely warned of things not yet seen, moved with godly fear, prepared an ark for the saving of his household, by which he condemned the world and became heir of the righteousness which is according to faith (Ge. 7:1-2; Heb. 11:7) Noah could save his family and all the species of animals from the flood waters on the earth, just by making them enter the ark. As the ark protected him, now Christ protects you as a Divine Ark. The study of the ark beautifully depicts life in Christ.

The ark - God's plan: This ark was God's plan and God's initiative. It had nothing to do with man. It was God who gave Noah the plan and pattern to build it. It was God who put him inside, it was God who shut the door (Ge. 7:16). The ark was God's method to save humanity from destruction.

Similarly, Christ our Divine Ark was God's master plan for humanity. Noah made himself an ark of gopherwood. God prepared this redemptive plan for man. Jesus is indeed the Lamb of God that was slain before the foundation of the world. God prepared a body for His Son and sent Him to save this world(). He put you in Christ, and your life is hidden with Christ in

God (1.Co.1:30; Col.3:3).

Same height: Wherever the Ark was, Noah's family would be. The ark always floated on the surface of the waters. No matter how much the water may increase or prevail, they were above it (Ge.7:17-18)! Even the high mountains were covered with water, but never the ark (Ge.7:19). Whatever happened to the Ark happened to Noah.

The Ark symbolizes Christ. As Noah's family was elevated, you are exalted into the heavenly places in Jesus (Eph.1:21; 2:6). In Christ, you are far above all principalities and powers, far above all your problems. You became so one with Him that when He died, you died (Ga.2:20). When He rose again, you rose again with Him (Eph.2:5). When He was exalted, you were exalted with Him, and now you are seated with Him in the heavenlies (Col.3:1).

Saving Ark: Just imagine, all around Noah there was death – birds, cattle, beasts, creeping things, every man died (Ge.7:21) – all in whose nostrils was the breath of life, died. All around him, there was death, screams, pangs of pain – but inside the ark, there was perfect rest, life, peace.

The whole world lies in the wicked one and is doomed for destruction (1.Jn.5:18). There is no safety outside Christ, and there is no danger inside Christ.

You may hear bad news of natural disaster or plagues destroying your nation or community all around you, but nothing should alarm you. Bad news cannot terrify a man in Christ because he lives in a safety zone, altogether in a

different world. Life in Christ is life in a strong tower where you are safe (Pr.18:10).

New hope for the new world: The whole world will be doomed one day. As in the days of Noah, so it will be at the coming of the Son of Man (Mt.24:37-44). There is no future for the world, but for you who live in Christ, there is a glorious hope of a new heaven and a new earth (Rev.21:1), just as Noah's family enjoyed. You have a wonderful future. Get rid of any fear of the future! Everything works for your good (Ro.8:28)!

All provisions: Inside the ark, all the provisions for Noah, his family and all the living creatures were stored up in abundance. He didn't have to sow or reap. He was least worried about all his needs. All he needed to do was to take and enjoy from the abundance.

In Christ, God already provided for all your needs in abundance. You don't need to worry or be anxious. In Christ, you are blessed with all heavenly and earthly blessings (Eph.1:3; 2.Pe.1:3-4).

Beloved, if a wooden ark could save humanity, how much more the Heavenly Ark Jesus! In Christ, you absolutely need not fret, no matter what happens around you. You are far above the reach of the destroyer. Behold!

Thank You, Lord, as You are, I am in this world. When You are revealed I shall be like You, for I shall see You as You are. Your Name is a strong tower! I ran into it, and now I am safe because I am in Christ.

1.Jn.4:17; 1.Jn.3:2; Pr.18:10

ARK LIFE IN CHRIST

And they went into the ark to Noah, two by two, of all flesh in which is the breath of life. So those that entered, male and female of all flesh, went in as God had commanded him; and the LORD shut him in.

...the Divine longsuffering waited in the days of Noah, while the ark was being prepared, in which a few, that is, eight souls, were saved through water. There is also an antitype which

now saves us - baptism (not the removal of the filth of the flesh, but the answer of a good conscience toward God), through the resurrection of Jesus Christ (Ge.7:15-16; 1.Pe.3:20-21)

We continue our study of life in Christ with the ark of Noah. Christ Jesus has become your Ark of salvation. You are completely safe in Him.

Family salvation: When the whole earth was corrupt before God and filled with violence, God saved Noah's entire family (Ge.6:11-12). Just because Noah was righteous, God saved all his household (Ge.8:16-18). From the eight members of his family came the whole new breed of humanity after the deluge. This gives another anchor of faith for the salvation of your family. The faith of a jailor saved his entire household (Ac.16:31-34). Cornelius' faith brought salvation not only to his household, but even to his friends and neighbors (Ac.10:24,44-48). Your family's salvation is promised to you as a gift package the moment you put your trust in Christ.

Baptism: Noah's family was saved through water. Peter compares this with our water baptism (1.Pe.3:20-21). In Christ, your old man was crucified with Christ (Ro.6:6). You are buried with Him in the waters of baptism (Ro.6:3-4). You have risen with Him to live His life on this earth (Ro.6:5). You are ascended and seated with Him in the heavenlies (Eph.2:6; 1:21). Never underestimate the command of water-baptism after accepting Christ as your Savior (Ac.10:47-48)!

No harm: The ark Noah made was coated with pitch inside and out, completely waterproof (Ge.6:14). The door was put in such a way that only God could shut it (Ge.7:16). All the springs of the great deep burst forth, and the floodgates of heaven were opened, but not a drop of water could go into the ark (Ge.7:11-12)! How safe!

In Christ, you are totally danger-proof, demon-proof, sickness-proof, curse-proof, poverty-proof, sin-proof, deception-proof,...! Nothing by any means can ever harm or hurt you (Lk.10:19)!

No anxiety: There was nothing for Noah to be anxious about in the ark. He could have rested in the wisdom, power and perfect guidance of God inside. Since God was the Author and Finisher of the entire undertaking,

Noah could have enjoyed the new provision, content like a little baby. Yet he became anxious to know what was happening around. He opened the window and sent out a raven and a dove to spy out the situation (Ge.8:6-12). No matter how impatient he was, ultimately God had to bring him out, which He also did in His perfect timing.

In Christ, you need not be anxious about anything (Phil.4:6). Even tomorrow need not be a concern today (Mt.6:34). So cast all your anxiety on Him for He cares for you (1.Pe.5:7). He works everything beautifully in His time (Eccl.3:11). As Jesus chided His mother, He is telling you, "Leave it to Me. My time (hour to act) has not yet come" (Jn.2:4,AMP). Relax!

Distinction: When the whole world was judged, only Noah and his family remained alive in the ark (Ge.7:23; 2.Pe.2:5). Here we see the God of distinction who says, "I will spare them as a father spares his own son who serves him. Then you shall again discern between the righteous and the wicked, between one who serves God and one who does not serve Him" (Mal.3:17-18).

In Christ, you are definitely distinguished from others. You are His special treasure (Ex.19:6). He will treat you differently than those outside of Christ.

Beloved, accepting Jesus as your Savior has done more than what you could ever imagine! May God open your eyes to see the richness of His blessings in Christ!

Thank You, Lord, I am anxious for nothing, but in everything by prayer and supplication, with thanksgiving, I make my requests known to You, and Your peace which surpasses all understanding, will guard my heart and mind. I was buried with You by baptism into death that just as You were raised from the dead by the glory of the Father, even so I also should walk in newness of life because I am in Christ.

Phil.4:6-7; Ro.6:4

ARK REMEMBRANCE IN CHRIST

Then God remembered Noah, and every living thing, and all the animals that were with him in the ark. And God made a wind to pass over the earth, and the waters subsided.

For by Him all things were created that are in heaven and that are on earth... All things were created through Him and for Him... He is the head of the body, the church... (Ge.8:1; Col. 1:16-18)

The ark of Noah has many things to say to you, the new creation in Christ.

History revolves around you: The whole history revolves around the child of God. When the whole world was destroyed, God's mind and purpose were revolving around Noah and his offspring. All God's hope for the future world was placed on Noah's family. Even the good climate, seed time, harvest, winter and summer existed just because of Noah's sacrifice (Ge.8:32). Only because God remembered Noah, He stopped the fountains of the deep and the rains, and He made a wind to pass over the earth, and the waters subsided. The entire nature was working for Noah.

God's end-time plan totally revolves around His new breed of new creations. Everything in heaven and earth works for the good of the believers. Though God loves the whole world, His heart and mind are always on YOU. He does everything with you in mind. Nature, governments and the whole universe are controlled by your God for your good (Ex.14:21;

15:10). God's heart and mind and attention are always on man, especially on the new creation (Job.7:17-18; Ps.8:4).

Even the end-time tribulation will be shortened for the elects' sake, otherwise no flesh would survive (Mt.24:22). With such a loving Father, why should you fret and dread?!

Your authority over nature: I always wonder how Noah could gather all those pairs of animals, all species, from all over the world! Did he command them to come into his ark? Did God summon them? How organized they were to come in pairs! It must have been the longest queue ever seen! Even his own family obeyed him and entered the ark without questioning him. Such was the power of the man who found favor in the eyes of God!

In Christ, you can exercise authority over the animal and vegetal kingdom. All His authority is yours! You can use it as much as you dare to believe. I believe God's new creations will see their privilege in Christ, and nature and creation will bow before them. They will command the sun, the moon, the thunder, the rain and the wind

(Jos.10:12; 1.Sa.12:18; Mk.4:39). They will call down fire from heaven (2.Ki.1). They will shut the mouths of lions (Heb.11:33). They will summon the bears to come and maul their enemies (2.Ki.2:24). Jesus issued order, and hundreds of fishes thronged into Peter's net (Lk.5:5-7). A single fish carried the tax money for him (Mt.17:27).

In Christ, this Jesus has become bone of your bones and flesh of your flesh. You are literally one with Him. Start exercising your authority over everything around you and see the miracles!

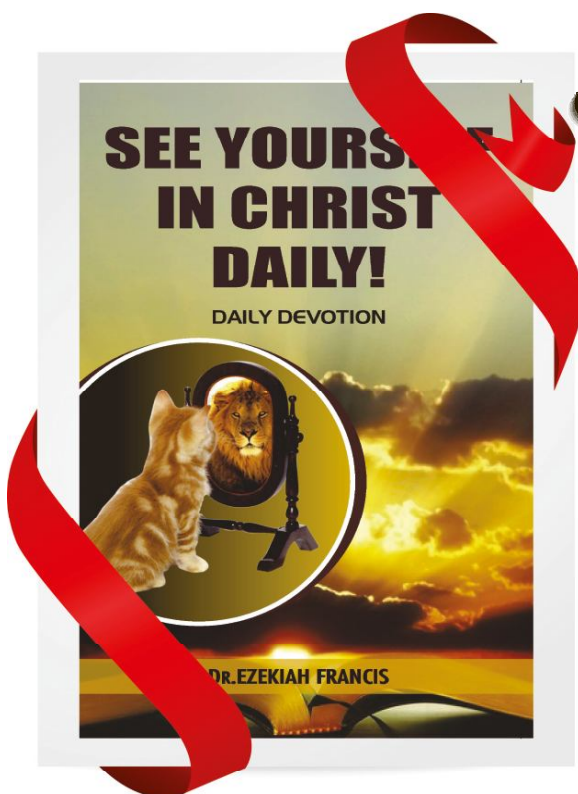

Beloved, you are in the mind of God Almighty, and He has numbered all the hairs of your head. Not even one hair will fall without His knowledge (Mt.10:30; Lk.21:18). When you came to Christ, you were inscribed in the very heart of God, not just in the palms of His hands (Isa.49:16). As the Bride of Christ, you are very dear to your Groom's heart, and you are set as a seal upon His heart (SS.8:6). Everything that happens in this world works together for the good of

God's children (Ro.8:28).

All heaven and earth is awaiting your orders. Satan trembles to see the new creation rising to their rightful position. The Head of the Church rejoices to see His Body finally exercising the authority He bought for them at such a high price (Lk.10:21). This corrupted world desperately waits for the new generation to purify it (Ro.8:19). The afflicted and the prisoners are waiting for God's saviors (Ob.1:21). Rise up and change your world NOW!

Thank You, Lord, by You all things were created that are in heaven and that are on earth, visible and invisible, whether thrones or dominions or principalities or powers. All things were created through You and for You, You are before all things, and in You all things consist. You are the head of the body, the church. We, the Church, are the fullness of You who fills everything in every way.

Testimonies

Though I was doing ministry I was not strong in the spirit. Every day I used to cry. As I heard many testimonies of people who came to Berachah Prophetic Ministries, with much expectation I came here. Praise God, I could clearly hear the voice of God and received His Love. I testify that I spoke new languages in Tongues, all my curses are broken, the rivers of living water started to flow out of me, I am immensely blessed - Kiranmai, Andhra Pradesh.

I attended the 8th batch School of the Holy Spirit for Ladies. Before coming here I was suffering from inadequate level of vitamin D3 in my body. But after coming here I am completely healed, I even stopped taking medicine. The level of anointing I received here is incomparably higher than before coming here and also God called me by my name and spoke with me. My ministry calling is also confirmed. I give glory to God - Deborah Grace, Andhra Pradesh.

I came to know about Berachah Prophetic Ministries through one of my son's friend. When I heard about his life transformation my desire to come for the school increased. I was a rejected, troubled, wounded, hurt, despised woman, looking for some help and guidance or a word of comfort, so I understood that this is the right place for me and for my deliverance. I was surprised by what I learned, saw and experienced here. It was also a very big eye opening for me. After many years of being a Christian after coming here only I realized that the Holy Spirit is in me. Every day I received new anointing, new revelation, new strength, new health, new comfort which I never felt in the last 25 years from any person or even from my church. I was blessed much by the prophecy and healing sessions. I assuredly say this is the blessed and holy place. I wish I should be a blessing and support for this ministry. I thank Prophet Ezekiah Francis and Benita Francis for the love and kindness bestowed on us. I wish and pray for many such schools in many different places of India and all around the globe. - Sis. Fulamen Rego, Thane.

Let the glory be to God's Name. The greatest gift in my life is the opportunity to come to the School of the Holy Spirit. God has helped me to go back free from all my burdens. The happiness and the experience I enjoyed every minute here can't be expressed in words. I received healing in my body, mind and soul. I also could clearly understand the ministry calling for my life. Praying for this wonderful ministry - Bindhu Varghese, Kerala

Praise God! I thank God for the opportunity I got to come to Berachah Prophetic Ministries. Thirty days relationship with my Bible was a most wonderful experience in my life time. I could feel an increasing anointing and God's grace each day. The Word of God I received and experienced through each leader here is a great treasure for me. I pray for the chance of coming here as a family again to study in the next Bible school. – Girija L, Kerala

After coming to the School of the Holy Spirit, God changed my mind totally and I could understand that Christian life is this much simple, easy and beautiful. Each and every teaching I heard and the anointing I received here is new. I have never heard about 'Bridal Anointing', 'Believer's Anointing' and 'Joy Anointing', but when I heard and prayed for, God filled me with the joy that can't be explained in words and the joy river gushed out from me. My desire and passion were all renewed. Before coming here, I didn't have any desire for ministry. I came here only because of the desire to hear God's voice in my personal life and to live holy, but now I have the desire to do ministry and to share about my sweet Jesus.

I enjoyed my quiet time the most here and I was excited to see the same what I meditated in the quiet time was confirmed by Sis. Sudha and Bro. Alex. I thought God will not speak to me, but here He spoke to me through visions, word and prophecy.

God gave me inner healing and physical healing, too. I was suffering from back pain for the past 2 years. After the prayer session by Rev. Benita Francis on 26th Nov, I am healed from that pain and relieved from feelings of guilt. As I said, I am totally changed and free now, also feeling very happy. - Sherin Thomas, Kerala

Praise the Lord! I am working as Junior Steno in commercial Taxes Department. I am very much blessed by the School of the Holy Spirit. Before coming to the school I was so much vexed and frustrated. Thanks to Rev. Benita, through her teachings all my curses and soul ties are broken. I suffered very much because of soul tie, I wasted so much money and time. Upon hearing the soul tie message I repented and broke all my soul ties, now I am free and happy in every area of my life.

Rev. Benita's sessions answered all the problems of women. In my life I was rejected and divorced. I have no child. My father died before my marriage. So I felt very lonely. Rev. Benita prayed for me and cast out the spirit of rejection and loneliness, and I feel the freedom now.

Prophet Ezekiah Francis's prophetic message about Tamar, Rahab and Ruth lives touched my heart very much and encouraged me to see how God can change the broken, bad lives into most precious lives. The message on Tongues blessed me so much and my tongue talking changed into wrestling tongues against satan. The fasting prayer in the school is very new and precious to me, because before coming to the school I used to fast and pray for my problems. But now I understand fasting prayer is not only for my prayer request but connecting to God by praise and worship. I am very thankful to Berachah, Prophet Ezekiah and Rev. Benita. Surekha, Andhra Pradesh

I attended the School of the Holy Spirit for Ladies. Before coming I was suffering from severe bleeding problem during my period with severe pain and even motion with bleeding. The Doctor advised me to remove my uterus. I used to take 5-6 tablets for pain relief during those days. The miracle is when I entered into the Berachah campsite I got perfect healing. Next menstruation time I don't have any pain or severe bleeding. I thank God for Berachah Prophetic Ministries. Preethi David, Chattisgarh

Blessed, blessed, blessed 2016!

Rev. Benita Francis

In 2016, the Church will rise up with high holiness, and because of that, with high authority. You will be a promoter for it. You will promote holiness, and because you promote holiness, your name will be heard more and more and more and more.

In 2016, the Church will come out of shame, and it will be heard before the government. It will be heard in very high places.

In 2016, the tares the devil has planted have become very visible and God Himself will pluck them out. About the people about whom you were thinking, "Should I kick them out?", God says, "I Myself will do it. You don't worry. You just keep loving them, you just put coals of fire on their head. I will show your righteousness and I will take them far away from you".

In 2016, the Church will preach very strong messages that will make the people go into two directions. You can no longer be half worldly and half Christian. Very strong, clear messages will come that will bring people to deep repentance. Because of that deep repentance, there will be a deep love for Jesus. Because of that deep love, very quickly and easily many miracles will happen.

2016 is the year of mighty miracles. Many of you were planning and desiring to do miracles. You were praying for miracles, and you became disappointed. Jesus says, "This is the year! Rise up again and start up again. This year you will see, in your work place you will see many miracles. When you go to a doctor to get help for you, you will help the doctor, you will pray for the doctor. You will see in the spirit his family problem,

you will see his financial problem. You will minister in the gifts of the Spirit. You will heal the doctor and the time will come where you will think, "Why should I even go to a doctor and pay money? My heavenly Doctor heals me better than the secular doctor". This heavenly Doctor heals you better, but still you need to go to the doctor - not to get your healing but to keep ministering to the doctor.

In 2016, you will win the people to whom you went to beg for help. You went to get some help from people - health or money or some promotion, but because you are very sharp in the Spirit, as you go there, suddenly the Holy Spirit will lift you up and He will grab you, and you will prophesy and everything will change upside down.

2016 is a mighty year of victory for the Church of Jesus. In 2016, God will connect you with the Body of Christ from other nations. Continents will be connected. Jesus is warning you to never use that for your personal benefit. Always use it for Kingdom benefit. As you are faithful in using these international connections for Kingdom benefit, God will give you more and more and more. Networks over different continents will happen. Many of you will not have only one or two or three journeys, you will have many airplane trips to different continents. Why? Because you are faithfully using for Jesus the contacts that you start to have through internet. You will be going there for some business, and you will minister to some small group or family. Because you walk in the Spirit like never before, your name will be lifted high. You will go to minister to a small group, but God will lift you up to minister in churches. All the anointing, all the messages, everything you have received here in the Spirit, you didn't notice much of it here, but as God takes you

there, you will see the tremendous need, and what was lying dormant in your spirit will rise up. You will say, "Wow, I didn't know that all of this is inside of me". You will just flow, flow, flow. You will speak prophetically, and many, many miracles will happen.

In 2016, God has tremendous plans for you. There is only one condition. In Acts 20:23-24, the apostle Paul says, he knows that he has to go to Jerusalem, bound in the spirit he goes there. Everybody warns him that trials, tribulations and jail are waiting for him, but he says, "None of these things shake me, none of these things move me". This is the attitude you must have this year. God has tremendous plans, He is planning very, very high exaltation for you. There will be difficulties, dangers. Paul knew it, but still he went. You will do that. You will say, "Bound in the spirit I am going". You will say, "Everybody is warning me, but in the spirit I feel I have to go. In the spirit I am dragged and I am going", and you will experience like Paul, "None of these things will move me. Nor do I consider my life dear to myself".

In 2016, you will not count your life dear to yourself. Your mentality will change. It will be no more, "Oh, which clothes do I wear... which clothes do others wear... what promotion did he get... I must get a higher promotion... what house does he have... I must have a better house than him...". You will step out of all that junk. You will step out of all this worldliness. You will not count your own life dear to yourself. Do you know why? Because you will fulfill your race with joy! You will understand that there is a race put before you by God because you have received a high calling from our Lord Jesus. You are not less than the apostle Paul. You are not less than John the Baptist. The smallest one in the Kingdom of God is greater than John the Baptist. Why did the apostle Paul so many revelations? He said, "I thank my God I speak with tongues more than you all" (1.Co.14:18). You can have that revelation. You can step into that revelation realm. Just use your tongue for revelation. Use your tongue to speak the heavenly language. Don't talk about your own life anymore. Do you know what the German translation says? It says, I don't count my own life worth talking about. That's what the apostle Paul says in Acts 20:24. I don't count my life worthy of talking about.

How much time do we waste talking about our own life? For what do we talk about our own life? Yes, we need to talk about our life - do you know for what? To tell the people about the faithfulness of Jesus. To testify about the goodness of God. Yes, you can share your struggles. You know why? To challenge others. To tell them, "Even with all these struggles, I am running for Jesus". We don't count our own life worthy talking about. We only use it when we want to teach others and challenge others. That is the apostle Paul's attitude. Why? Because he wanted to finish his race with joy.

In 2016, you will run the race for Jesus. In 2016, the things of the world will become very small to your eyes. You used to have such a struggle - why? Because always the worldly things were very big to you. You were running to earn money to pay the bills. You didn't have time to serve God because you had to earn money to pay bills.

In 2016, you will understand Mathew 6:33. In 2016, you will take a decision to seek first the Kingdom of God, to seek first His righteousness, and all the other things shall be added unto you. Next time when you sit at home very worried, thinking how to get money, you will remember this word. You will stand up and you go out into the street. You will start praying in tongues and looking around. You will start ministering to people, you will start prophesying to the people walking on the street. You will pray for the sick that sit on the street. Out of gratitude for the healing, one person will give you the money you couldn't have earned in the whole month.

This is your year to no longer count your own life dear to yourself. This is your year to run the race to fulfill your calling, to finish the job God has given to you. This is the year of your heavenly assignment. That heavenly assignment will bring you so much joy. That heavenly life will bring you the real life. That heavenly assignment will make you shine.

The second word God gave me for 2016 is Dan.12:3. He who wins soul is wise (Pr.11:30). This is the year of tremendous wisdom for you. Jesus has become your wisdom (1.Co.1:30-31). Winning souls is not difficult for you. Those who are wise win so many souls and lead so many to righteousness. They will shine like the firmament, like the heavens. Those who lead many to righteousness will shine like stars. You have the wisdom of God. Jesus is

living inside of you. This is your year to just open your eyes. As Prophet Ezekiah Francis said, times are getting worse and worse, people will be more and more scared. People will have more tensions and questions, worries and fears, but you will come with the peace of God and the joy of God and with the smile of the Holy Spirit. Just by your peaceful life, people will open their hearts for Jesus. Use every opportunity. See the people who struggle and simply smile at them. Talk to them and ask them, "Can I pray for you?" You will have the wisdom from heaven. You will tell exactly the part of your testimony that will touch their problem. You will win so many souls, and you will have so much joy. There is joy in heaven for one sinner who repents (Lk.15:7). You want to experience heavenly joy? You have to experience the sinner's repentance. You will see that. This is your year to shine like the stars in the sky.

In 2016, you will lead many to righteousness. The Lord told me that this is the very special task for the Church of Jesus this year. It is inside the Church and outside the Church. Inside the Church, there are many people who don't walk in righteousness. You start praying for them and show them: He who is born of God cannot sin. He cannot sin, because His Seed remains in him. The living Word of God remains in him. Jesus stays in him. The Holy Spirit stays in him (1.Jn.3:1-9). You will teach them, you will open their eyes. You will tell them: Christ in you is the hope of glory (Col.1:27).

There was one young boy, a homosexual, he really thought he cannot come out of it. You know what he wrote to me? He told me there was a ministry who ministers to the homosexual. After 30 years of ministry, they had to shut down. You know why? Because the founder said, "I am married for many years and have three children, but still these homosexual feelings are there". So somehow the devil convinced them that they were born like that and could never change, and they shut down the ministry.

That is the deception of the devil. That is because they didn't understand that Christ in you is the hope of

glory. They didn't understand the depth of Jesus, the Holy Son of God, the Holy Word of God. So this boy was sure he could never come out of it. The devil kept him under condemnation. He wrote to me, "You know, my case is very special because I have a calling but I am homosexual". I said, "No brother, your case is not a special case. The devil is the same dirty devil all over the world. The same dirty devil tries to attack so many who are called for Jesus". You know, just telling him that he is not alone broke the condemnation from the devil. Hallelujah! Evil binds the people and keeps them in condemnation and in secrecy, keeps them hiding in darkness. They are so ashamed and so afraid to open up. They think they are the only person in the world who is so bad. You tell them, "No, you are not bad! The devil is a dirty devil. You are not the only one. You can come out of it because Jesus is living inside of you". In this way, inside the Church you will lead many into righteousness. Love covers a multitude of sin (1.Pe.4:8). You will cover them with love, not with condemnation. You will teach them the truth of "Christ in you", and you will bring them out of the dirt and make them mighty servants of God.

Also outside the Church, you will lead many into righteousness. Even to India, all this Western junk is now coming. This is the time to speak very loud. This is the time to tell the people that in the very beginning, God created them male and female. This is the time to speak up against corruption and unrighteousness. This is the time to use social media, to use Facebook and everything, to show what they are doing because the mass media are paid. They will not show the truth, and if they try to show it, sometimes the reporters are even murdered. This is the time to lift up your voice, not to hide and hold your life dear to yourself. This is the time to fall into the ground as a grain of wheat and to bring forth much fruit (Jn.12:24).

This is the year of your fruitfulness, and this is the year of tremendous fulfilment. This is the year of really coming into your ministry. This is your year of walking into your calling. Very quickly, God will make you international. Promotions are happening very quickly now. There is no time left. If you just yield to Him, He will lift you up, and He will use you for His glory all over the nations.
