From My Heart

Dearly Beloved,

Greetings in the mighty name of the resurrected Lord Jesus Christ!

It is a great joy to come to your home, at least through this magazine. Thank you so much for your faithful prayers and selfless support! God is not unjust to forget your work and labor of love which you have shown toward His name. He shall supply all your need according to His riches in glory by Christ Jesus. His Word is faithful and true.

We all prayed faithfully for the election and we know that our God reigns and His Kingdom rules over all! We are receiving an eternal kingdom that cannot be shaken (Heb.12.28). We have victory in our spiritual realm which one day will explode in this physical realm. We must continue our prayer vigil for our nation more than before.

Our School of the Holy Spirit in Tamil Nadu has completed victoriously producing mighty miracle workers. The Schools of the Holy Spirit in Madhya Pradesh and Telangana is going on now. Continue to pray for those schools. If you are a full time worker with long time walk with God and if you have the thirst to launch into the miracle ministry with signs and wonders, we welcome you for our three months School of the Holy Spirit from August 1st to October 30th in our campsite. Your life and ministry will never be the same. For more details visit our website www.ezekiahfrancis.org.

We have our Short Term Intensive Course from August 12th to

*When you are in Christ and totally filled with the Holy Spirit,
you will influence nations with God's miracle power*

- Prophet Ezekiah Francis

22nd in our campsite. The people who are already in the ministry and those who want to do the ministry can apply for this seminar. Already more than 50000 ministers are trained by this course and they are shining powerfully for God. We have only limited seats and accommodation. Rush for your seat!

Our next School of the Holy Spirit for women is from November 1st to 30th. God has a special place for the women in the kingdom of God. Ladies, see it and possess it! Time has come for you to rise up and shine. Don't wait, immediately apply and find out the purpose of your life.

Beloved, realize your limited time and the unlimited task ahead of you. God appreciates what you have done for Him so far, but now He expects you to change your priorities to bless your generations. Your days are numbered; better know it earlier (Hos.7:9). Do whatever you can do for the Lord and for your generation. Redeem your time, make use of every opportunity you have (Eph.5:15-17). The end of all things is at hand, and your time is short (1.Pe.4:7; 1.Co.7:29). Listen to God and do whatever He tells you! Don't waste time in other things.

Continue to follow us on Facebook and visit our website www.ezekiahfrancis.org to know the details of our seminars, and keep praying for all our programs.

Pray for me and my wife, for our ageing parents, as well as for our leaders and staff. May the Lord Almighty establish your territory and make you a blessing to the nations. Be the head and never again the tail. Lend to nations and never borrow again. Let the blessings run before you and overtake you in Jesus Name!

Yours in Christ,

Abel Francis

five Secrets of Power Walk

Prophet Ezekiah Francis

Secret 2

“On the Same Night...”

For I received from the Lord that which I also delivered to you, that the Lord Jesus on **the Same night** in which He was betrayed took bread, and when he had given thanks, HE broke in and said, “Take, Eat this is My body which is broken which is broken for you, do this in remembrance of Me” [1 Cor 11:23-25]

Our Lord wants us to realize the depth of His love. Our weaknesses and discrepancies cannot reduce His love for us. Just imagine the night of His last Supper. That was His last Passover. He would not have a chance to dine with His disciples again.

He knew that all the disciples were going to desert Him. Among them one was going to forsake Him and another deny Him. Thought

He was aware of all this, He desired to sup with them. Just like Jesus did with His disciples, the Holy Spirit wants to do with us. What the Holy Spirit tells us here is “Despite being aware of your weaknesses, I love you unconditionally”. His love does not depend on our conditions and it does not increase and decrease accordingly. It never changes. It is undimmed, consistent, divine love. (Agape Love.)

a)His Unchanging Love for the Betrayers

Jesus saw that the time had come to depart from this world. He knew that Satan had kindled Judas to betray with Him. But still, He called Judas and dined with Him. He broke the bread and gave it to Judas with Love, though He Knew that he would betray Him that very night. The last thing Jesus did was to feed Judas. What unchanging Love!!

Jesus told Peter, “Peter before the rooster crows, you will deny Me three times”. Knowing the fact that Peter was weak and was going to deny Him, He wanted to have His Last Supper with Peter.

He knew that John was going to run away, leaving his garments behind. Yet Jesus dined with John, allowing him to lean on His bosom. This is His divine and true Love, Which loves us even when we do not love Him! His Love surpasses all other love. Children of God take time to ruminate on Jesus’ love. That will transform you totally.

b) Unchanging Love calls to Repent

The last word Jesus spoke to Judas was, “Friend, are you betraying Me with a kiss?” Judas’ heart pricked him and so the money he got as a bribe became bitter in his hands. He threw it off and hanged himself. Jesus’ last words and the bread He broke, broke his heart. He regretted forsaking such a loving friend. When we sin we must not **‘Regret’** in fear that the Lord will punish us. Instead, His love must break our hearts and we must **‘Repent’** for our sins. You need to say, “Lord I have grieved you. Forgive me. How marvelous is your Love! It amazes me. There is no one like you

Lord!.” These words will thrill His heart.

Jesus taught the disciples many things and also a New Covenant, though he was fully aware that all of them would run away and one would betray Him. Then why did He teach them? If you asked Jesus this question, He will say, “Tomorrow, they will run away from me. But a day will come, when these people will risk their lives for me. They are going to bear a lot of suffering for the sake of my love, I know that they are going to be as martyrs for me. I have a foresight of these people and I know what they will do in future for me. That’s why I taught them”.

c) Unchanging Love sees our Future

Our Lord is revealing many truths to you because He does not see you as raw material but as a finished product. An engineer, who has got a blue print of a building in his hands, foresees the building and not the blue print. He uses raw materials like brick, cement etc. In the same way, our Lord works in our lives.

Our Lord does not see us as we see ourselves now. He always sees us as a complete, perfect and finished product. Why does our Lord forgive our sins and act as if He

has never seen our sins? Because He already Knows all that we will suffer for Him in the future and the stand we will take for Him. He has been working on us with long suffering.

d)Unchanging Love – foundation for Life

We have a wrong concept of God's love. We think that if we love the Lord more, He will love us more and if we love Him less, His love will be less. If we fast and pray more He will love us more. If we pray after a heavy dinner, He won't listen to our prayer. These are wrong notion. Instead, we must depend on His unchanging and firm love and not depend on our conditions. Sometimes we cry, "Oh! A tempest is destroying my life. Everyone including the Lord has forsaken me. I am alone and our Lord has taken His hands away

from me because I have not prayed properly. I am not faithful". Looking into your eyes today, the Lord tells you, "My love for you does not depend on your relationship with me. I want you to depend on My love which is like a strong foundation. I want you to stand on Me and be secure in My perfect love all the time irrespective of your conditions"

e)Unchanging Love – not a license

At the same time, the Lord does not give you a license to lead a sinful life. We must realize that His love for us is not the changing human love but the unchanging divine love.

f)Unchanging Love sees us Perfect

Once a man of God was filled with guilt and condemnation. He felt that he was not holy and unworthy. Jesus told him, "I am yet to see

someone who is as beautiful, holy, sincere and without blemish like you". At once this man cried and said that he was not holy. Jesus said, "My dear son, I see you now as a perfect person. I am not seeing you as you are now. I see you as you are now. I see you as a finished product and how perfect you will be in the future when I finish all my work in you. Cheer up! For I will perfect that which concerns you."

Yes, as Jesus saw His future, and loved them, He sees the future and loves us. He believes in his ability. He is able to make us like Him out of His divine love.

**BERACHAH TRAINING CENTER
 CENTER OF HEALING FOR ALL NATIONS - Building Phase III**

"Arise and begin working, and the LORD be with you" (1 Chronicles 22:16)

God has been faithful in fulfilling the vision which HE entrusted to us. Believers from many nations have already been blessed in our "CENTER OF HEALING FOR ALL NATIONS" in Poondi. A young generation of leaders is being raised, a generation with great zeal to shake the nations with the anointing power of the Holy Ghost. The painfully limiting factor is accommodation as well as a nice all-weather dining hall. We have therefore ventured out into a 3.36 Crore Project. This is the cost of the building alone, without any interiors or furniture. The building will host a dining hall for 650 people. 29 new guestrooms and a smaller auditorium for 800 people, mainly for schools, are being built.

Extension work planned:		Cost of Work:	
© Dining Hall (Ground Floor)	-6420 sq.ft	Total cost Rs. 3.36 crores	
© 29 Rooms	-7819 sq.ft	Cost of one sq.ft - Rs. 1500/-	
© Meeting Hall	-8157 sq.ft	2239 partners sponsor for 10 sq.ft	
Total	22389 sq.ft	4478 partners sponsor for 5 sq.ft	

Are you with us? Then let us rise up and build!

By sowing into this fertile ground, you are partnering with the God-given grace and anointing upon this ministry, and you will surely receive the prophet's reward (Matthew 10:41)

✠ I came to School of the Holy Spirit without much interest. But the only reason I came to school was I wanted to speak in tongues. I had a feeling that people look me different because I did not speak in tongues. I was longing for this, for about a year time. After I came here on the very first day I began to speak in tongues, then I started to long for getting filled with the Holy Spirit anointing more and more. And gradually I got involved in the school. Every day Jesus spoke to me through the Word of God during my Quite Time. It was a very joyful experience for me. God spoke to me very accurately the things which is needed for me. Quit time is very useful. I was bothered and feeling condemned that I couldn't take victory over my sin. But God forgave and accepted me. For the past 3 years I was suffering due to skin disease in my leg. Had severe pain in my leg, many time sleepless because of the pain, it was very painful for me. During the session on 'Healing' when I prayed received complete healing. No pain till date. Also I can feel that I was changed. When I speak to someone, I can hear voice deep down in me guiding what to speak. This is a very different and wonderful experience for me. And my Hearty thanks to Prophet Ezekiah Francis, Prophetess Benita Francis, Pr. Milton and all the School administration group members. - **Shoban**

✠ After coming back from the school of the Holy Spirit, Very first day we had curse breaking session at our church. After the prayer, One lady testified that the tumor in her uterus, because of what she was not able to get concieved, is healed. She further testifies now that she has no tumor now. During the days I was in the school of the Holy Spirit, we are blessed with financial miracles through my father's business. My sister who was away from our home due to misunderstanding reconciled and united with our family now. Thanking God for the Berachah Prophetic Ministries. - **Kevin from Srilanka**

The Secret Key To A Divine Healing Ministry

By John G Lake

Excerpts from the book 'The Basics of Divine Healing'
John G. Lake Ministries, 1999 edition

D. The closer you get and the longer you stay there the more saturated you become.

1. The longer you stay in the presence of God, the more of his Spirit will remain with you in your daily life.
2. The longer you are out in the cold winter weather, the longer it will take for you to warm back up.
3. The more you stay in the atmosphere of this world, the longer it will take you to "warm up" to God. This is why we worship and pray to start church services. Since many people seem to live most of their time in the natural / flesh, etc., it sometimes takes a long time to enter the presence of God. Some people attend church and never get into the presence of God, because the only time they pray is in church.
 - a. 1 Thess 5:15-22 – 15. See that none render evil for evil unto any man; but ever follow that which is good, both among yourselves, and to all men. 16. Rejoice evermore. 17. **Pray without ceasing.** 18. In every thing give thanks: for this is the will of God in Christ Jesus concerning you. 19. Quench not the Spirit. 20. Despise not prophesyings. 21. Prove all things; hold fast that which is good. 22. Abstain from all appearance of evil. (KJV)
 - b. When you read this scripture or bring up prayer, people automatically begin making excuses as to why they cannot do this. The first rule of Christianity is this. We can do whatever God commands us to do, or He would be unjust to require it of us. So first we must decide that we can pray without ceasing. Then we must decide that we will begin to pray without ceasing, if God will show us how. Next we must ask God for

wisdom in how to pray without ceasing. When you ask, here is the answer that He will give you. Relationship. If you had a best friend that was always easy to get along with, always knew the answer to every question you asked, was always the ultimate joy to be around, how hard would it be to spend all your time talking **AND** listening to him? Well God is that friend. Once you begin to experience fellowship with God, you will find it very easy to spend all your time in His presence.

- c. To fulfill the command to "pray without ceasing", we must first redefine the word "pray". If you think praying means always talking or always asking God for something, then yes you would have a hard time fulfilling this scripture. There are times when you should formally approach God with your petitions and requests, but most of the time you should just live in the presence of God. Many times I do not say Amen when I am talking to God during the day, because I don't want to leave His presence, so I just talk with Him and live with Him. He talks to me consistently, sharing insights into the Scriptures. Every sermon I preach and every lesson I teach is conceived in this manner. As you begin to live in this manner, you will notice your spiritual life literally explode with new revelation into the nature and character of God. What may look very hard, boring, and time-consuming, will become the most exciting time of your spiritual growth. Once you begin this lifestyle, you will be amazed at how fast you grow spiritually. I have had many people comment upon my spiritual understanding or wisdom. I know that I have not yet even scratched the surface of the spiritual depths that are in Christ Jesus. But everyday I learn more.

Legends continue writing...

Since angels are spirit beings, they can appear in visible or invisible form. If they appear visibly, they can appear in their angelic glory and splendor or in human form. I personally have seen angels in the spiritual world repeatedly, sometimes very clearly, sometimes more as a vague impression.

Angels minister deliverance

In the spirit, I have seen angels flying over groups of people, breaking and snipping off chains and bondages. This happens frequently and especially during curse breaking sessions. I have also seen angels in groups of two taking some dark figures out and downwards, like escorting them to some sort of jail. Praise God for the delivering ministry of God's angels! It makes our deliverance ministry so much easier!

19 But at night an angel of the Lord opened the prison doors and brought them out, and said,

20 "Go, stand in the temple and speak to the people all the words of this life" (Ac.5:19-20)

7 Now behold, an angel of the Lord

stood by him, and a light shone in the prison; and he struck Peter on the side and raised him up, saying, "Arise quickly!" And his chains fell off his hands (Ac.12:7)

SPEAK GOD'S WORD! ACTIVATE GOD'S ANGELS! CHANGE THE WORLD!

Angels bring healing

In one of our Schools of the Holy Spirit for Ladies, I suddenly felt the entire atmosphere change and become electrified as a huge group of angels came flying into our auditorium like a cloud. We were all together praying in tongues at that time, and I noticed my tongues change as the angels came rolling in.

Many healings happened, both physical and inner healings, and many sisters had heavenly visions and visitations. Glorious joy was released, and these merry hearts did them good like medicine (Pr.17:22). Some sisters were dancing in the spirit while others were lost in heavenly trances. It was an unforgettable, very special, glorious time.

The angel stirring up the water at the pool of Bethesda intrigued me for a long time. One angel touching the water, and ANY disease, WHATEVER disease, was healed? How can it be?

The Holy Spirit gave me a fascinating answer. Did you know that the human body consists of 50% - 75% water, according to gender and age? The amount of water in the human heart and brain is 73%, the lungs are 83%, muscles and kidneys are 79%, the skin is 64%, and the bones are around 31%. When that angel stirred up the water at Bethesda, any disease was healed! Nothing is impossible when an angel of God touches you!

4 For an angel went down at a certain time into the pool and stirred up the water; then whoever stepped in first, after the stirring of the water, was made well of whatever disease he had (Jn.5:4)

SPEAK GOD'S WORD! ACTIVATE GOD'S ANGELS! CHANGE THE WORLD!

Angels bring joy

Ever since our very first School of the Holy Spirit for Ladies in 2012, our faithful Lord Jesus has been granting us glorious visitations of heavenly joy, pouring out His Oil of joy for mourning (Isa.61:3). Lives are forever transformed in these

special, Holy Ghost controlled times. Many have testified to seeing visions of heaven, God's Throne and praising saints and angels. Some have also been dancing with angels in the most beautiful manner. I just love to watch God moving them in ways so perfect no choreographer on earth could design.

Just recently, this joy of the Lord was so strong that brothers and sisters were still laughing, jumping and enjoying God's Presence outside the auditorium well after midnight (Neh.8:10b). As I was ministering to them, I could hear and feel in my spirit the hustle and bustle of huge invisible wings! For the first time in my ministry, I understood that angels not only announce and declare "great joy which will be to all people", but they are also very actively involved in ministering that glorious joy!

10 Then the angel said to them, "Do not be afraid, for behold, I bring you good tidings of great joy which will be to all people" (Lk.2:10)

Angels enhance your worship

Angels may join your prayer, your praise or your worship without ever becoming visible to your spiritual or physical eyes. When they do, you may hear beautiful, perfect voices or instruments join your singing. You may be suddenly singing a new song, unknown to you but accompanied by this glorious heavenly choir. Sometimes you may be led to sing with the angels in heavenly tongues, sometimes you may get words in your human language. Sometimes you may remember the tune and even the words afterwards, sometimes not.

Whenever this happens, your entire body will be filled with the awe and glory of heaven. Hours afterwards, you may still be trembling and tingling with heaven's power and presence. In my experience, my voice changes and becomes stronger but at the same time rich, complete and glorious. When I sing with the angels like this, many in the congregation receive comfort and deep inner healings. Many receive visions,

healings and even deliverances. Oh, the power of God's worshipping angels!

13 And suddenly there was with the angel a multitude of the heavenly host praising God and saying:

14 "Glory to God in the highest, And on earth peace, goodwill toward men!" (Lk.2:13-14)

Angels join your worship

At other times, you may see your angels as they pray and worship with you. I still remember one particularly powerful prayer time years ago. All alone in my apartment, I had been praying in tongues for many hours. I was lying on the floor,

arms stretched out like forming a cross, when the Lord suddenly opened my spiritual eyes. There was no change in atmosphere, no difference in my tongues, no higher anointing. Like you switch on a light, I suddenly saw “my” two angels kneeling by my side in deep adoration.

Deep inside, I knew they had been with me all the time. They didn’t suddenly come to join me. They were with me always. The only difference was that the Lord opened my eyes to see in the spiritual world, just like He did for Elisha’s servant:

17 And Elisha prayed, and said, “LORD, I pray, open his eyes that he may see.” Then the LORD opened the eyes of the young man, and he saw. And behold, the mountain was full of horses and

chariots of fire all around Elisha (2.Ki.6:17)
