From My Heart

Dearly Beloved of God,

Greetings in the mighty name of our Lord Jesus Christ!

We thank you so much for your valuable prayers for our Leadership seminar in Bhopal, Madhya Pradesh. God made this seminar a great success. Around 2100 people from different states of India attended this seminar. People were filled with the Presence of God and the Holy Spirit manifested Himself powerfully. People testified that they had never heard such truths and revelations before. All glory to the Lord!

Our one month School of the Holy Spirit for women starts on 1st of November 2019. Women are applying from different parts of India. Pray for a mighty work and move of the Holy Spirit in this school. We want to see mighty women of God rising up for the Kingdom of God from all over the nations through this school.

From December 3rd to 5th we will have our Prayer Conference in our Poondi Campsite. This conference is open for all. Our nations need our prayer like never before. The spirit of prayer and intercession will be released from your life and change your nations. Come and be a blessing for the nations.

As this year is coming to an end, remember how God has been so

Will make you like a
Signet Ring;
for I have chosen you,
says the Lord of hosts."

faithful to us all throughout this year in His words and deeds. When Naomi heard that the Lord had visited His people by giving them bread, she decided to move from Moab, the cursed land, back to Bethlehem, the blessed land (Ruth 1:6). When Israel heard that his son Joseph was alive, his spirit revived (Gen.45:26). That is the power of the good news. What news you are hearing? What words are coming out of your mouth? They can be either edifying words or destroying words. The Bible clearly states that life or death is in the power of your tongue (Pr.18:21). Check your tongue. Take a decision to speak and hear only the good news. The Gospel is the good news. Jesus has finished everything for you on the cross! This is the good news. He has already blessed you with all spiritual blessings! This is the good news. You are the carrier of that good news. Don't forget, you are called to proclaim the good news. Never be a devil's agent. You are a Holy Ghost agent. Join with Him and bless the nations.

Remember our families, counselors, leaders, and office staff in Poondi and our Chennai Headquarters in your prayers.

May the Lord use you mightily in this End Time harvest and empower you to face all your challenges victoriously.

Your brother in Christ,

Ezekiah Francis

Prophet Ezekiah Francis

KIDS BLESSINGS IN CHRIST

And because He loved your fathers... He chose their descendants after them; and He brought you out... driving out from before you nations greater and mightier than you, to bring you in, to give you their land as an inheritance.

But Jesus said, "Let the little children come to Me, and do not forbid them; for of such is the kingdom of heaven" (Dt.4:37-38; Mt.19:14).

Life in Christ blesses its generations. When you received God's eternal life, you became one with the Deity. Since then, every child born to you is affected by your eternal life. You can expect them to be super-children, above ordinary in every way. Your children will be wiser and smarter than other children. They will be healthier and happier. Believe them to live long and possess the New Covenant blessings. God has given enormous promises even for the children of the Old Covenant. When they walked faithfully in their Covenant, God blessed generations (Ex.20:6). Let us ponder the blessing of the kids of God's covenant partners.

They possess the blessings: When you walk faithfully in your covenant rights, even your children possess the New Covenant blessings. God not only blessed His covenant partner Caleb,

but also his children to possess the land on which he walked, because he wholly followed the LORD (Dt.1:36). As a New Covenant partner, you don't serve the Lord in vain. Your faith and consecration will open up the heavens over your children. You are God's righteousness in Christ (2.Co.5:21). The blessings of the Lord will overflow in and through you even for your generations (Pr.13:22). Every promise you ever received from the Lord is applicable to your children also. Your children are the most blessed children (Pr.20:7)! They will never ever lack or have to beg for bread (Ps.37:25).

They are well off: When you walk in the light of who you are in Christ, not only you but even your descendants will be well off. God repeatedly promised His people that if they walked in the Word, everything would go well with their children (Dt.4:40; 5:29; 12:25,28). Your children shall enjoy the land of milk and honey (Dt.11:9). They will be well off in their studies, in their relationships, in their vocation, in their marriage, in their family life, in their finances, in their health and emotions, etc. Truly, all shall be well with your children! Claim this covenant blessing in Christ!

They live long: Because you are in Christ, your children are blessed with long and vibrant life. None of your children needs to die as infants. You are the authority for your children. Rise up to your position in Christ and command long and healthy life for your children. When you live and

teach the new creation realities, your days and the days of your children will be multiplied... like the days of the heavens above the earth (Dt.11:21).

They are curse-free: As God's New Covenant partner, your children must enjoy abundant blessing and God's favor in their lives. They are not under curse when you live in Christ, the Glory Cloud. Under the Old Covenant, when people violated their covenant responsibilities, God visited their iniquities unto the third and fourth generation (Dt.5:9-10). David's generation suffered when he broke his covenant with the Lord by stepping into sin (2.Sa.11; 12:9-12). Thank God, your Savior became a curse to redeem you and your generations (Ga.3:13-14). Still, you must appropriate this Calvary blessing by faith and break any generational curse from you and your children. God did His part. Better do your part, too, and release Abraham's blessings upon your generations.

They are godly: None of your children will go away from the ways of the Lord. When you live in Christ, all your children shall be taught of the Lord (Isa.54:13). You and your entire family will serve the Lord. Claim this blessing! The covenant blessing includes your generations' walk with God, too. That is why God commanded to read His Word even to the little children, "that they may hear and that they may learn to fear the LORD your God" (Dt.31:12-13).

They will continue what you began: Every blessing that God has given you shall be used and enjoyed by your children. They will continue your ministry with more glory. If you have a business of your own, believe that they will take it up, multiply it and reap the harvest of what you have sown. None of your labor will go in vain! That is why God commanded the kings to read the law all their lives so that they and their children might prolong their kingdom (Dt.17:18-20). It is God's will that the kingship should be continued by a godly generation.

Beloved, you are God's authority and

watchman for your children. Never allow the enemy to touch any of your children. See them prosperous, healthy, godly, and blessed. Cover them with faith, not with fear!

Thank You, Lord, Your Spirit who is upon me, and Your Words which You have put in my mouth, shall not depart from my mouth, nor from the mouth of my descendants, nor from the mouth of my descendants' descendants, from this time and forevermore. My children shall be like olive plants all around my table, because I am in Christ.

SUCCESSOR IN CHRIST

Every place that the sole of your foot will tread upon I have given you, as I said to Moses.

Blessed be the God and Father of our Lord Jesus Christ, who has blessed us with every spiritual blessing in the heavenly places in Christ (Jos. 1:3; Eph. 1:3).

The book of Joshua clearly portrays our life in Christ. Joshua means Yahweh is my Salvation (Num.13:16). The difference between the Old Covenant and the New Covenant can be seen as a shadow throughout this book. The Hebrew name Joshua is Jesus in Greek and explains the privileges we enjoy in Christ Jesus. We will prayerfully study the subject of life in Christ.

Moses dies and Joshua rises: "Moses My servant is dead. Now therefore, arise, go over this Jordan, you and this entire people, to the land which I am giving to them - the children of Israel" (Jos.1:2). The death of Moses and the rising of Joshua are pictures of our Savior's death and resurrection in us. If we compare it with our Leader Jesus Christ, we can get glimpses of life in Christ. Moses finished his race without taking his people into Canaan. God showed him all the land of Canaan, but he could not see the total fulfillment of God's promises to him. On the contrary, your

Divine Moses completely finished His redemptive work and took you into His heavenly Canaan (Jn.17:4). The entire redemptive work was done by your Savior and Redeemer. Under the Old Covenant, Joshua was commissioned to take God's people into Canaan by fighting more than thirty enemy armies through three major military campaigns. Now you don't need to fight any battle to enter into your Canaan which symbolizes your life in Christ. What Moses could not do, Joshua completed. In your case, your Joshua Jesus conquered all your enemies and took you into His victory. You are in Christ and have obtained all the blessings and privileges of life in Christ. All you have to do to lead your people into their privileges is rise up to this realization and possess your inheritance. Like the parable of the younger son, you must come to your senses and dare to enter into your Father's riches (Lk.15;17-24).

When Elijah left this earth, his mantle and a double portion of his anointing fell upon Elisha. When Moses left the leadership, the captain anointing fell on Joshua. When Jesus left this earth, He sent another Comforter to lead your life in Christ. Jesus, the Seed of Heaven, died and produced many more sons of God. Most assuredly, I say to you, unless a grain of wheat falls into the ground and dies, it remains alone; but if it dies, it produces much grain (Jn.12:24).

Thank God, when your Lord Jesus died, His life germinated in you, and you become like Him. Now you put on the new man that was created according to God in true righteousness and holiness (Eph.4:24). Your Joshua fought on Calvary and bought your victory and your inheritance. You simply enjoy it, treasure it and see all your people get the revelation of it. How simple is your task now!

Know your territory: God has given the clear picture of the entire land of Canaan and its borders from the southern desert to the northern mountains of Lebanon and from the eastern river Euphrates to the western Mediterranean sea. Now it was Joshua's and his armies' mission to walk through the entire territory. Like Abraham, they had to walk the land through its length and its width to possess it (Gen.13:14-15). Every place their foot would tread upon would be theirs forever (Jos.1:3-4). But for you, the new creation, there are no limits or borders to your blessings and privileges in Christ. Whatever you ask is yours. Whatever you desire is granted. Whatever you need is supplied, all because of your union with Christ, the great source (Jn.14:14; 15:7; Phil.4:19)! Every spiritual blessing of heaven is yours now. Take it (Eph.1:3)!

All things that pertain to your life are yours (2.Pet.1:3). Know it! All things you enjoy are yours. Cherish it (1.Tim.6:17)!

Beloved, you don't need to fight or conquer anything to be blessed or to be victorious. The death and resurrection of your loving Savior has provided your victory and unlimited riches and blessings. Now is your time to possess. Rise up and march on NOW, in Jesus Name!

Thank you, Lord, I am abiding in You and Your Words abide in me. I will ask what I desire and it shall be done for me. I put on the new man that was created according to God, in true righteousness and holiness. Blessed be the God and Father of our Lord Jesus Christ, who has blessed me with every spiritual blessing in the heavenly places in Christ because I am in Christ.

INHERITORS IN CHRIST

Be strong and of good courage, for to this people you shall divide as an inheritance the land which I swore to their fathers to give them.

Therefore do not cast away your confidence which has great reward. For you have need of endurance, so that after you have done the will of God, you may receive the promise (Jos.1:6; Heb.10:35,36).

It pleases God to see you inheriting every one of His Calvary blessings. There is an urgent need for the New Covenant ministers to explore and explain all the privileges of our life in Christ. God calls us to take the Body of Christ into the fullness of Christ. Joshua had a mandate to take the twelve tribes to Canaan and to divide the inheritance for each tribe. Such ministers need some vital characteristics.

See your inheritance as already given: As far as God is concerned, the land of Canaan was already given to the Israelites. Now the people must walk into their possession through faith and obedience. In Christ, all your blessings - your new nature, physical health and vigor, emotional and mental stability, financial riches, peaceful relationships, powerful ministry, longevity and

joyful life is already bought for you, the moment you received Christ. It is up to you to know and take it by faith.

Confidence and courage: God repeatedly told Joshua, Be strong and of a good courage, for to this people you shall divide as an inheritance the land..., only be strong and very courageous that you may observe to do according to the law... have I not commanded you? Be strong and of good courage; do not be afraid, nor be dismayed, for the Lord your God is with you wherever you go (Jos.1:6-9,18). Supernatural faith and determination is a must for the inheritors. The prince of this world knows the full potential of life in Christ. He will try his best to keep you, from getting the total revelation of New Covenant blessings. Paul was literally hindered and persecuted by satan from preaching the gospel of the fullness of God's blessings. (Rom.1:13,15:29) All the apostles were threatened and commanded not even to mention the name of Jesus Christ. (Acts.4:18-20,5:40-42) A strong determination to possess every blessing of Christ is very much needed for you. Fear not! Only believe is the condition to experience the power of resurrection. The Holy Spirit is the Spirit of boldness, not timidity. He leads you into total victory.

The word soaked life: God commanded His servant Joshua, to observe to do according to all the law without turning from it to the right hand or to the left that he may prosper wherever he goes. He explicitly commanded him saying, "This book of the law shall not depart from your mouth but you shall meditate in it day and night that you may observe to do according to all that is written in it. For then, you will make your way prosperous, and then you will have good success". Ponder this! Courage and confidence are the fruit of Word filled life. Faith to possess never comes by begging and pleading, but only by hearing and heeding the Word of God (Ro.10:17).

Success every where is the direct result of

✱I attended three days fasting prayer at Theni in January 2018 and wanted to offer the best to God and I offered my gold ring. Immediately my husband got a good job as a manager in a private company with salary of Rs. 35000. Then I managed to come for the three days seminar and received miraculous healing from Rheumatoid Arthritis. In that meeting while they were sharing about miracle finance I was stirred up in my spirit to sow Rs. 10,000 but I didn't have that much amount at that time to offer. So I wrote that amount in a paper, rolled it in a hundred rupees note and offered as a faith seed. Our good God helped me to pay the amount in the same month. All glory to Jesus! I am regularly following the messages on You Tube. Thank you Prophet Ezekiah Francis, Sis. Benita Francis and All the Berachah Team! Thank you Berachah, You are healing my inner soul and I am alive because of Berachah!

Word soaked life. He expects us to be constantly in the written Word of God. Muttering the Word, pondering the Word, acting on the Word, reading and studying the Word will turn all your failures into your amazing success and victory. Ponder God's word by talking to yourself and to others constantly. You will always be fresh and fruitful and whatever you do shall prosper (Ps.1:1-3). Make sure you consistently meditate the New Covenant privileges and realities night and day. Explore the New Testament truths and get excited about it. Study the Old Testament through the New Testament glass and get the substance from the shadow. You will be an excellent New Covenant minister who takes others into their marvelous inheritance.

Beloved, you have an awesome responsibility to take the people into God's riches in Christ. Fear not! Dread not! Step out in faith, be a doer of God's Word and meditate there in day and night. You will be wiser and successful and inherit all your blessings and cause others to enjoy life in Christ.

Thank You, Lord, I am strong and of good courage in Christ and to these people I shall divide the land that You swore to our fathers to give them I am not afraid nor dismayed for You are with me wherever I go. I will meditate your Word day and night that I may observe to do according to all that is written in it. I will make my way prosperous and I will have good success because I am in Christ.

The Divine Healing Covenant

By John G Lake

*Excerpts from the book 'The Basics of Divine Healing'
John G. Lake Ministries, 1999 edition*

F. So the first thing to do when, affliction, sickness, disease, etc. come is to judge yourself to make sure all sin is under the blood. During the Lord's Supper or Communion, is a good time to judge yourself. Once you have made sure there is nothing between you that would hinder healing, then you should turn on Satan with the authority of God and command relief. You should not stop or slack up until you EXPERIENCE the desired result. Remember, God is not your problem. He desires that you walk holy and righteously before Him. But if you should miss it and sin, repent before Satan has time to get to God with your sin. No one has a right to change the name of God. If God, in His infinite wisdom knew beforehand all the excesses, all the excuses, all the abuses that man would bring against the name of Jehovah-Rapha, our GOD THAT IS OUR HEALER, and still decided to give us that name to run to in time of need then we would be fools not to take advantage of such wonderful provision. 1. Proverbs. 18:10 - The name of the Lord is a strong tower: the righteous runneth into it, and is safe.

G. In the following verse you will notice that one of the conditions of long life, salvation, deliverance, and answered prayer is that we know His Name.

1. Psalm 91:14-16 – 14. Because He hath set His love upon me, therefore will I deliver him: I will set him on high, because he hath

known my name. 15. He shall call upon me, and I will answer him: I will be with him in trouble; I will deliver him, and honour him. 16. With long life will I satisfy him, and show him my salvation. (KJV)

H. As partakers of a covenant of healing with the great Healer, we should move beyond getting sick and getting well, getting sick and getting well, over and over. We, as children of the Most High, should realize that if God promises to heal every sickness and disease, and promises that no diseases shall be upon us, then we should live in divine health.

I. Constant and abiding health that flows from our relationship with God. A health that is the very life of God flowing through our bodies, quickening us and making us alive to the most extreme degree. How can we expect to remain sick or diseased and still fulfill the basic requirement of being a believer that is to lay hands upon the sick and see them healed? (Mark 16:15-20) Man can only give what he has received from God. If he is to represent eternal life, he must at least exhibit a healthy temporal life. This is not to say that if a person is sick, they are not a Christian, it just means that they have not "known His name", so they are not able to partake of the blessing that was so costly for Jesus to obtain, yet so freely offered. Partake of the divine healing covenant today, by covenanting with God that as Jesus died for you, you will live, fully live, for Him.

Rooted in GOD'S House

Rev. Benita Francis

As we have seen, having strong roots in the right soil is our best life insurance. I pray you may have really rooted and grounded your life in God's soil! I pray you keep making your roots grow deeper and stronger every day!

There is yet another very important soil for you to dig your roots into. This soil is the fellowship of believers, the House of God. See what your God promised even to His Old Testament people:

13 Those who are planted in the house of the LORD shall flourish in the courts of our God.

14 They shall still bear fruit in old age; they shall be fresh and flourishing,

15 To declare that the LORD is upright; He is my Rock, and there is no unrighteousness in Him (Ps.92:13-15)

So we see that there are very good reasons to also be rooted and grounded in God's House - but what exactly is God's House? Is it enough to visit a building and maybe stay there for some time, praying? I used to do that before my salvation, sincerely seeking God in our old cathedrals and church buildings. Unfortunately, I never had any encounter, not even a small glimpse of God's

Presence there. Disappointed, I finally gave up and lived a worldly life like anyone else. So visiting stone buildings cannot be what God is talking about. What then?

According to God's Word, if you have received Jesus Christ as your Lord and Savior, you yourself have become a temple of God's Holy Spirit, a walking house of God (Jn.1:12; 14:23; 1.Cor.3:16). His Presence dwells in your mortal body through His Spirit. We have this treasure in earthen vessels, so that the excellence of the power may be of God and not of us (2.Cor.4:7). So you carry God's Presence wherever you go, hallelujah! And you can allow His Presence to flow through you for the healing, salvation and deliverance of nations.

Because of that, many modern Christians say we don't need to assemble in a building anymore. They stay at home, watch Christian TV and read their Bibles alone or in small home groups. Is that really a biblical practice, however? Let us study.

Protection from early death

Secular scientists studied the general health and lifespan of people who 'attend church' (that means, gather in a building to worship Jesus and

hear His Word) and of people who don't. They even differentiated between different groups according to how often they gather in church.

Did you know that hundreds of studies have shown that people who attend church regularly have a higher life expectancy than non-church-goers? It's not just a small difference - attending church regularly can actually prolong your life by up to eight years! The mortality rate goes down by 13% for people who attend church less than once a week and by 33% for people who attend church more than once a week, reports even the secular news agency CNN!

Wow! Can you now understand why satan, the eternal thief and murderer, wants to keep you out of church (Jn.8:44)? And can you now understand why your loving Heavenly Father wants you to be rooted and grounded not only in His Faith, in His Love, in His Word and in His Son, but also in His House?

Protection from fast ageing

According to many scientific studies¹², today's generation seems to be the first to have a shorter life expectancy than their parents¹³. While

scientists still struggle to find a reason for this shocking trend, childhood obesity seems to be a major factor. Today's youth prefers social media to social interaction. This sedentary lifestyle combined with sugary food and vitamin-void snacks creates health hazards leading in many cases to an early death.

If these same youth were rooted and grounded in God's House, they would take better care of themselves because they would know how precious and blessed they are, created in the image and likeness of God (Ge.1:26-28). They would grow healthy friendships and relationships. They would engage in a vibrant social life, bringing hope and eternal life to their surroundings. They would maximize their brain and avoid dementia.

They would live a life full of genuine excitement in God's surprising ways. They would find out God's plan and purpose for their lives. They would honor and protect their bodies as God's homes, temples of the Holy Spirit. They would flourish in their youth and keep bearing precious fruit for eternity all throughout their lives.

the LORD shall flourish in the courts of our God.

14 They shall still bear fruit in old age; they shall be fresh and flourishing (Ps.92:13-14)

Moses is a wonderful testimony to a blessed life in the House of God. When opposition arose against him, God Himself stopped it by giving this wonderful testimony about His friend Moses:

7 Not so with My servant Moses. He is faithful in all My House (Nu.12:7)

Think about it. Moses could not enter the Promised Land himself, but he lived his life faithfully in God's House, for God's people. God's Word shows us Moses at the age of 120 years. What was his condition? Had he aged badly? Was he plagued by disabilities? All the opposite. At 120 years of age, God asked him to climb Mount Nebo, a mountain high enough for him to see the entire land of Canaan from! Did Moses struggle to climb up there? No way! See here:

7 Moses was one hundred and twenty years old when he died. His eyes were not dim nor his natural vigor diminished

(Dt.34:7)

Living and laboring in God's House kept Moses young and fresh till the day of his glorious home-going! Root and ground your life in God's House and enjoy long, vibrant, healthy life!

Protection from curse

There is a very special curse mentioned in the Old Testament upon those who specifically resisted God's commands or God's people. This curse works not only over 3 or 4, but even over 10 generations. What punishment does God decree for such abominations? He forbids people who committed these specific kinds of sins from even entering the assembly of the LORD, the House of God!!! What are these horrible offenses that bring such cruel punishment? See here:

1 He who is emasculated by crushing or mutilation shall not enter the assembly of the LORD.

2 One of illegitimate birth shall not enter the assembly of the LORD; even to the tenth generation none of his descendants shall enter the assembly of the LORD.

4 because they did not meet you with bread and water on the road when you came out of Egypt, and because they hired against you Balaam the son of Beor from Pethor of Mesopotamia, to curse you (Dt.23:1-4)

These things may look old or unfamiliar to you, but actually, our modern society is deeply involved in all of them! Let's see them verse by verse.

Today's LGBT-agenda pushes people, and increasingly younger children, into self-mutilation. Nowadays, children as young as 3 years old can 'decide'ⁱⁱⁱ they are 'trapped in a wrong body' and they are actually the opposite gender^{iv}. In some nations^v, parents are jailed or lose their children^{vi} for resisting their child's desire for gender reassignment treatments!

Have you ever thought about what these hormone treatments and operations actually do? Most of them destroy forever the person's ability to procreate! The person is biologically incapacitated, mutilated, forever unable to obey the very first command God gave to humanity - the command to be FRUITFUL and to MULTIPLY (Ge.1:26-28)!

Verse 2 talks about illegitimate birth, which means, birth outside of marriage. If you strictly follow the Bible, even a second marriage while the first spouse is still alive is considered adultery and a child from such marriage would be considered illegitimate (Ro.7:3). Now think about today's modern 'patchwork-families'... oh yes,

satan works overtime to resist and mock God and His commands.

Verses 3-4 talk about denial of service, slander and persecution of God's people. Don't we see such behavior increase day by day, not only by social media banning content and deleting thousands of accounts, channels and pages, but to the extent of banks denying service to Christians and conservatives^{vii}? My heart trembles at all the curses our society invites into our nations!

Praise God, all these curses can be broken since your Lord Jesus became a curse for you (Ga.3:13-14). They do, however, make it more difficult for people to enjoy God and His House. They must be consciously repented of and broken.

Can you see God's and your arch enemy satan mocking and celebrating? Keeping people out of fellowship with God and away from God's people is his main aim. Without salvation, satan can take such souls into eternal damnation.

So why do you need to root and ground your life in God's House? Well, there you will be taught God's counsel and warned of satan's strategies. You will receive ammunition from God's Word to deliver others who were being destroyed by lack of knowledge (Hos.4:6). In God's House, you will be trained to become God's deliverer and curse-breaker (Ob.1:21)!
